

ACCM

Your National Training Provider

WELCOME TO THE AUSTRALIAN COLLEGE

The Australian College of Commerce and Management has developed a well-earned reputation as a quality training provider since its founding in 1996. Our proven ability to tailor courses to meet the demands of the workplace and our passion for nurturing students throughout their course has set the benchmark for delivering vocational education in Australia.

Thousands of students across a wide range of industries have successfully completed their courses with The Australian College and achieved valuable qualifications in ...

- Business and Administration
- Accounting
- Information Technology
- Financial Services
- Credit Management
- Events and Tourism
- Leadership and Management
- HR and WHS
- Banking Services

THE AUSTRALIAN COLLEGE DIFFERENCE

Consistent feedback, collected over 20 years, has shown employers and students choose the Australian College over other providers due to the high level of student support we provide and the quality of our learning materials and delivery systems.

COURSE DELIVERY

- All qualifications are delivered online and can be completed conveniently at home or work.
- No exams or stressful tests - all qualifications are assessed using short quizzes, written questions, practical assessments and workplace verification (if applicable).
- You can start a course at anytime throughout the year
- Enrolling is simple - enrol online in under 7 minutes and you'll be starting your first subject five minutes later!

SUPPORT

- The College employs our team of Student Advisers on a permanent basis to ensure consistent support for our students every step of the way.
- All of our Advisers have real world experience in their fields. With such an experienced team, students can be assured their coaches and mentors understand their real work situations.
- At any time, our students can make contact with their training team to get immediate assistance over the phone or by email during business hours.

The Australian College also offers...

- Face to face workshops and coaching sessions for group enrolments conducted in your workplace
- Quality course materials that are included in the course fee and available within minutes of enrolling
- Self-directed learning subjects covering topics that reflect workplace skills and knowledge needed in the real world
- Help in determining eligibility for government incentives and financial assistance that may be available for employers to help develop their employees
- Partnerships to address the unique learning and development needs for your organisation
- Tailor-made qualifications relevant to your Business needs

Your National
Training Provider

COLLEGE CLIENTS

The Australian College is currently working closely with household names and local small businesses; and those in between, to deliver high quality training to their employees.

Large, small or somewhere in between, ACCM prides itself on making sure the needs of all our clients are met with the same level of passion and excellence.

The Australian College will always deliver against our service guarantees. We are happy to provide referees from our current clients to help employers determine our ability to meet your industry needs.

If your employees are already enrolled with another provider that is not meeting your expectations, ACCM is always ready to help.

Your people deserve the best in Vocational Training, so talk to ACCM and we'll show you the difference you've been missing.

MEET TANIA, SHERRE AND SYLVIA

Our Client Relationship team have the knowledge and experience to provide the best program and qualification to suit your business needs, and more importantly, ensure that your employee's training is a worthwhile investment.

For more information on traineeships or any training needs contact:

NATIONALLY RECOGNISED QUALIFICATIONS

All courses delivered by The Australian College are nationally accredited throughout Australia – only Registered Training Organisations (RTO's) have the authority to issue these qualifications.

The Australian Qualifications Framework ensures that qualifications can be easily built on as they are recognised by other RTO's, Colleges and Universities throughout Australia. Qualifications are available from Certificate II level through to an Advanced Diploma.

COURSE FEES AND SUBSIDISED PROGRAMS

Course tuition fees can vary depending on the type of enrolment undertaken. Fees are very competitive with discounts applying to group enrolments. Talk to one of our Client Relationship Managers for more details.

Enrolments can be accepted privately or from employers under traineeships and through state specific training programs.

ACCM can also provide assistance with access to subsidised training options like NSW Smart and Skilled, QLD Certificate III Guarantee and WA Future Skills..
