NEW WORKER TRAINEESHIPS

**Trainee
fee now just
\$1000**

New employees can be registered as trainees. This can attract Employer Incentives of up to \$4000 and Payroll Tax Rebates. Talk to us for more information.

EMPLOYER INCENTIVES

Employers can receive up to \$4000 in funding for eligible employees *

Training and upskilling your employees can lead to greater business efficiency, improved customer service and better employee retention

PAYROLL TAX REBATE

NSW employers who pay payroll tax can receive a payroll tax rebate for eligible* employees while they are undertaking an approved traineeship. The current payroll tax rate is 5.45% of salary in NSW.

When registering a new employee as a trainee you are committing to making available up to 3 hrs pw for them to undertake formal College studies and assessments.

If a traineeship program isn't suitable – look at the other new options.

* Eligibility to be a trainee and the amount of incentives available will be determined by an Australian Apprenticeships Centre

SMART & SKILLED

A photograph of two men in business suits sitting at a table, looking intently at a laptop screen. The man on the right is wearing glasses and has a beard. The background is softly blurred, suggesting an office or meeting environment.

**NEW
TRAINING
OPPORTUNITY!**

SMART & SKILLED

New flexible eligibility! Lots of courses to choose from. Save over 50% in course costs.

All your employees can choose to enrol in any Smart and Skilled qualification.

Encourage them to do the course that will help them upskill in their role.

They can pay the fees, or you can pay them.

Training from \$1310

Almost Everyone is Eligible!

Australian citizens and permanent residents working in NSW are eligible for funding. Past qualifications don't limit your staff from enrolling.

For more information visit www.accm.edu.au

Enrol one or hundreds of employees in this program. The College can easily tailor courses to meet your needs.

This subsidised training program isn't available for registered trainees, and employees must agree to use their Smart and Skilled subsidised training place for the course you nominate.

If a full qualification program isn't needed – look at the other new short course option.

SMART & SKILLED SHORT COURSES

Short Courses:

The NSW Government also offers funding for partial qualifications. This is a great option for employers that want their employees to gain specific skills and knowledge. There are a few eligibility rules for this program – but if it's something that meets your needs – get in touch so we can submit your request to the government.
