College**  
of Commerce & Management

# Tier 2 Training

## MEET ASIC RG146 OBLIGATIONS with College tried and tested programs

Your new staff can start immediately with the online option and achieve Tier 2 Adviser accreditation quickly. They are given the support of a College Student Adviser with real life experience in a customer service role in retail banking.

Select accreditation in Basic Deposit Products, Non-cash Payment Products or General Insurance or all three!

## OUTCOMES and CONTENT

- Tier 2 accreditation in the chosen product lines
- General, Personal and Scaled Advice
- Ethical conduct and best interests test
- The role and skills of advisers
- Factual information
- Economic environment
- Legislation: Privacy, Consumer Law
- Product features and restrictions

## COURSE SUBJECT OPTIONS

The content changes each year to ensure currency of Tier 2, and provides accreditation in:

- Basic Deposit Products
- Non-cash Payment Products
- General Insurance
- Or all three!

## PRICING

All of the above options carry the same cost:  
\$395

Workshop options are also available.
