

Advanced Diploma of Leadership and Management

BSB60420

STRATEGIC DECISION MAKING AND CHANGE MANAGEMENT SKILLS THAT
ARE ESSENTIAL FOR MODERN DAY OPERATIONAL MANAGERS

Advanced Diploma of Leadership and Management students will benefit from subjects that develop an understanding of strategic planning, business tactics and decision making, as well as how to shape, foster and control organisational change.

Real-World Management Skills

Business leaders and managers must deliver operational results now, as well as have the ability to plan for success in the future. The Advanced Diploma of Leadership and Management program translates conceptual management knowledge into a realistic and practical learning program to allow students to apply these key strategic management skills in a real-world setting.
