

Certificate III in Business Administration (Education)

BSB30915

TAILORED ADMINISTRATION SKILLS TO SUIT THE EDUCATION SECTOR

The Certificate III in Business Administration (Education) has specialist subjects to provide you with an in-depth understanding of how the different parts of the education sector interact. As well as looking at key skills in customer service, word processing and organising meetings, you will also be able to select from a wide range of subject elective choices that will accommodate most needs.

Gain a Greater Understanding of the Education System

The Certificate III in Business Administration (Education) will ensure you receive a greater understanding and awareness of the Australian education system and the diverse array of business, organisational and administrative skills relevant to this rewarding and fulfilling industry. These skills apply equally to a specialist role in the education sector, as well as a general office administration role.
