

Diploma of Project Management

BSB51415

INITIATE, PLAN AND EXECUTE YOUR PROJECT ON TIME AND WITHIN SCOPE

The Diploma of Project Management will ensure that you can deliver your projects efficiently and on schedule by teaching you contemporary project management skills. Use your existing experience as a project team member and take the next step with the Diploma of Project Management that covers all critical areas of project management to an advanced level.

Proven Project Management Principles

Initiate, plan, and execute your project on time and within scope. The strength of our Diploma program rests in our ability to translate the conceptual knowledge of proven project management principles into an active learning program. The Diploma of Project Management is supported by a team of staff who have proven project management skills, and decades of practical hands-on experience.
